## Notes

- The Scout Group cannot accept responsibility for loss or damage to any personal effects and the Scout Association does not provide automatic insurance for such items.
- If your child requires medication while on camp please hand it in to a leader in a named container giving full details of medication required
- **All equipment and clothing must be clearly marked with the owner's name;** engraving or permanent ink are far better than nail varnish or stuck on labels.
- A certain amount of pocket money is recommended. Money may be handed to camp-leader for safety and will be given out as required. The Scout Group is otherwise not responsible for losses.
- Please do not include any electronic games, phones, radios or mp3 players.
- Aerosols, matches, lighters and any other flammable liquid or gas must never be brought to camps; these are dangerous and not necessary.
- Kit should be packed in the rucksack. It is important that there are no loose items. Line the kit bag with a plastic bag.
- Due to the nature of camps and activities, it is advisable to wear old clothing and footwear as there is a good chance they will get very wet, dirty and/or damaged.
- Earrings, nose rings, and other decorative jewellery are not recommended on camps and activities.
